

Midday prayer space:

Looking for some peace among the hustle and bustle of the city? St Botolph's Church is open every Wednesday from 12-1pm for Midday Prayer Space. We begin and end with some words of prayer together (for those that wish to take part) and the rest of the hour is spent in quiet as we enjoy the peace of God's presence. Visitors are welcome to come in and take a seat or walk around the church and enjoy the surprising lightness inside. Why not carve a little break into your week?
